

Confined Space Rescue Refresher – Outline Program - Guidance on Structure and Documentation

Structure:

- Use 24-hour Confined Space Rescue manual.
- Develop an 8-hour agenda, tailored to the needs of the participants.
Include the following elements (emphasize principles of adult learning)
 - Year in Review or Module 1 Rights and Responsibilities activity (Year in Review can be adapted from site refresher)
 - Module 2 Rescue Scene Management activity
 - Four or more activities from Modules 3-5 to meet needs of participants and shown in the Agenda.
- Complete all required forms.

Documentation:

Retain program-specific agenda and all other materials required for the Program File.
